

BISHOP WATTERSON
HIGH SCHOOL

Please find below corporations that match employee donations. If your company is not listed, you can check with your human resources office to see if your employer participates in a matching gift program. If they do, we hope that you will request an application from your human resources office and register Bishop Watterson High School to receive the corporate matching gift. It takes just a few minutes to complete the process, but can make a huge difference. Matching gifts often double, and sometimes even triple, your donation to Bishop Watterson High School.
