3. Apply for State Funding: APRIL 1st DEADLINE

- A parent/guardian must create an OH-ID account at <http://ohid.ohio.gov>. This can be done at any time
- A parent/guardian must log-in to the OH-ID account to access the CCP funding application.
- A parent/guardian must log-in to the OH-ID account and complete the “Intent to Participate” section of the funding application.
- A parent/guardian must log-in to the OH-ID account, complete each section of the funding application, request the appropriate number of credits, upload requested documents (college acceptance letter or letter of good standing), and submit the application before the deadline. *Note: When completing the application, Bishop Watterson is a “chartered non-public school”. Bishop Watterson’s name should appear in the funding application.*

4. Submit Funding Award Letter to Columbus State

By mid-May, students with successfully submitted funding applications will be awarded “units” based on the student grade level. Applications are processed until all funds have been allocated. **The student’s funding award letter is accessible in the parent’s OH|ID account. Students must provide the letters to the college to avoid being billed for the course(s).** The letter provides a Unique Identification Number (UIN) and the number of credit hours the student has been awarded.

Note: Families are responsible for paying for course(s) not covered by funding and you cannot split state funding. So if you were awarded 2 credit hours of funding and the student takes a 3 credit hour class, the student will have to pay for the entire 3 hour course.
