

**National Catholic Youth Conference
Nov. 16-19, 2023 Indianapolis**

Bishop Watterson will be joining pilgrims from around the country at NCYC next fall. NCYC is a powerful three-day encounter with Christ and His Church. It features inspiring speakers, interactive exhibits, uplifting music, Mass and adoration. The cost is \$575 per person and includes the conference, bus transportation, a downtown hotel, and two meals a day, except on the final day when we will eat breakfast at the hotel and be home by lunch. This trip is for BWHS students only.

\$275. is due by March 30 to guarantee a student spot. Conference prices increase on April 1.

Make checks out to Bishop Watterson and send to the attention of Campus Minister Mrs. Simmonds.

The final payment is due by May 28 unless a payment plan is pre-arranged. A payment plan can extend the payment schedule through Oct. 1. We are not able to offer refunds in the event you cancel. However, if a student spot can be filled by another BWHS student, we can reimburse everything but the NFCYM processing fee to transfer the registration.

Questions? Email Campus Minister Beth Simmonds at mrs.simmonds@bwhs.org.

We have the option of five-six students to a room at the hotel. If someone wants to have only four per room, there will be an additional charge. Room arrangements will depend on the boy vs girl breakdown of students who attend.

I prefer six to a room.
