

Bishop Watterson Music Ministry Agreement of Participation

The **BWHS Worship Band** exists to *glorify God and encourage a full, active, conscious participation in the liturgy*. We welcome your participation.

It is a privilege and a responsibility to participate in BWHS music ministry. We expect a level of commitment and excellence. This means arriving at rehearsals on time and being prepared by bringing your music, a Christ-centered attitude in your interactions with others, and a willingness to focus on the task at hand.

If you cannot attend rehearsals, it is expected that you communicate this to Worship Band Director Mrs. Frommeyer or Liturgy Coordinator Mrs. Simmonds in writing as soon as possible. Respective emails are listed below.

It is our hope, that through your participation, you gain a deeper understanding of living a life of worship and grow in your ability to serve in music ministry.

With regard to serving as a cantor, this is up to discretion of the adult leaders. Please let us know if you would like to serve as a cantor. We will consider the following aspects in making the decision to ask you to serve in this way:

- Rehearsal attendance and Christ-centered attitude
- Knowledge of the music
- Ability to confidently lead the congregation in prayer through music
- Understanding the possibility of additional rehearsal time

Please discuss your commitment to music ministry at BWHS with your parent(s) before signing.

I support my son/daughter's participation in BWHS music ministry.
