Telos Junior Retreat

The Telos retreat offers a great opportunity to build community in the junior class and to hear from Senior leaders about building relationships with one another and with God. This fun and impactful experience is facilitated by a team of student leaders and Campus Minister Mrs. Simmonds. Telos offers a taste of the Senior Kairos Retreat.

Students will gather at BWHS Dominican Hall at 1:30 pm Sunday and return by 2:30 pm on Monday. Students will be back in time to participate in after school sports and activities on Monday. Fr. Sam Severance will offer Sunday Mass for the retreatants. The retreat will be held at The Spiritual Center of Maria Stein and students will take a coach bus to the retreat site. Accommodations at the retreat center include a private bedroom and bathroom for each person. Spots are limited so please submit your registration and payment together to secure your spot. Checks should be made to Bishop Watterson.
