Dear School Leader,

We hope the 2026-2027 school year is off to a wonderful start. It is hard to believe that Homecoming season is already upon us.

Over the past several years, your school has been very supportive of our decision to no longer permit The Lakes Golf & Country Club to be used as a destination for Homecoming or Prom photos, and we sincerely appreciate your cooperation.

As Homecoming approaches, we kindly ask for your assistance in reminding students and parents that The Lakes is not available as a location for photos. Unfortunately, anyone arriving on Club property for this purpose will be asked by our security team to leave. We would very much like to avoid students and families experiencing an unnecessary delay in their evening or having to find an alternate photo location at the last minute.

Our priority is to maintain a safe, comfortable, and enjoyable environment for our members while also helping ensure that your students and their families have a smooth and memorable Homecoming experience.

Thank you in advance for your continued cooperation and for helping us communicate this information to your school community. We truly appreciate your partnership and understanding.

Kind Regards,

Thank You,
Jim Spragg, COO, and The Lakes Golf and Country Club Management Team
