WHY WRESTLING?

Eagle Wrestling Club introduces young athletes to the merits of wrestling in a fun, systematic environment. Wrestling builds self-confidence, self-reliance, accountability, discipline and work ethic while providing challenging exercise.

OUR PURPOSE

Our goal is to foster a vibrant and enduring youth wrestling community throughout the Bishop Watterson feeder-school system. Wrestlers, families and coaches work together to inspire, motivate and connect athletes of every level.

Winning matters, but it is not the sole focus. We teach wrestlers to give their absolute best, grow through the process and have fun doing it.

ALL AGES. ALL EXPERIENCE LEVELS.

Participant fees include two T-shirts, select event registrations, and other costs to run the club.

Wrestling shoes and headgear are recommended.
